## About Rotterdam:

Rotterdam is the second largest  
city in Holland with more than  
600,000 inhabitants and unlike  
any other Dutch city. Rotterdam's  
international port is Europe's  
biggest harbour and among the  
world's top five biggest harbours.  
It is an architectural and cultural  
metropole with countless  
attractions, festivals and  
museums.

## At the conference you will:

- Get ideas from the best work  
around the world
- Have the opportunity to  
network and collaborate on  
further research, practice and  
policy development project.
